

THE POWER OF **CFMA**

EXCLUSIVE MEMBERS-ONLY BENEFITS

INDUSTRY CONNECTIONS

With more than 8,300 members and 99 chapters, CFMA helps construction financial managers (CFMs) build a network they can turn to 24/7 when they have questions or need help.

CFMA BUILDING PROFITS & NEWSLETTERS

CFMA's award-winning, bimonthly magazine covers topics unique to CFMs. CFMA's e-newsletters (Bottom Lines, Talking Heavy, and Talking Trades) are your source for industry insights and news.

FREE WEBINARS

Each month, timely, relevant topics are presented for CFMs and their staff. These monthly webinars offer 1 CPE credit and are free to members (an \$828 savings).

CONNECTION CAFÉ

Have questions? Need advice? This exclusive online community of CFMA members is the perfect place to get answers and feedback from people who understand construction financial management.

COST-SAVINGS PROGRAMS

Connect with CFMA partners for ways to save money – your company could save more than \$3,000.

PEER GROUPS

These professionally facilitated peer groups are for general members seeking to improve their companies through information sharing and feedback with CFMs in non-competing regions and markets.

FIND A SERVICE PROVIDER

MarketBase, an online buyers' guide to help CFMs find products and services specific to the construction industry.

SPECIAL MEMBER PRICING

CFMA'S ANNUAL CONFERENCE & EXHIBITION

Receive discounted pricing on registration to the only conference focused on the needs of CFMs.

EDUCATION PROGRAMS

Convenient live online and in-person chapter classroom courses, along with the self-study CFM Academy, provide access to the construction financial-specific education for you and your staff.

SPECIALIZED RESOURCES

CFMA has resources to help CFMs overcome daily challenges, such as The Book: Financial Management & Accounting for the Construction Industry and State Tax Law Guides.

CONSTRUCTION FINANCIAL BENCHMARKER

This online tool shows you how your company compares to others by region, sales volume, and company type so you can benchmark your success.

PROFESSIONAL CERTIFICATION

The Certified Construction Industry Financial Professional (CCIFP®) designation is the only construction financial management certification accredited by the American National Standards Institute (ANSI).
