FINANCE COMMITTEE CHARTER

Purpose:

The committee is responsible for reviewing the annual operating and capital budgets, recommending changes to the CFMA investment policy and recommending independent auditors.

Operations:

The Committee will have periodically, at a minimum, four conference call meetings during the fiscal year. The schedule of these calls will be determined by the Committee Chair and Vice Chair. Materials are to be provided three business days prior to any meeting. Minutes documenting the discussions, decisions made, and actions taken during the meeting will be produced and distributed within ten business days. During meetings of the committee a majority of the members of the committee at the time of the meeting shall constitute a quorum. A quorum needs to be established for a vote of any questions brought to the Committee and must be affirmed by a simple majority of those present to be approved. At all meetings of the Committee, either the Chair or Staff Co-Chair, if present, shall act as Chair. In their absence, the Vice Chair shall act as Chair.

Subcommittees of this Committee may be formed for the purpose of carrying out specific ongoing responsibilities of the Committee. Subcommittees are governed by this charter and will be populated with Committee members and other stakeholders, subject to Committee approval. Subcommittees will make periodic reports to the Committee including any new issues raised for consideration by the Subcommittee. The Subcommittee(s) for this committee and their purposes are listed below.

Subcommittees of the Finance Committee are:

The Subcommittee's role is one of oversight. The organization's management is responsible for preparing the internal financial statements and the independent auditors are responsible for auditing those financial statements. The Subcommittee recognizes that management and the independent auditors have more time, knowledge and detailed information about the organization than do the Subcommittee members. Consequently, in carrying out its oversight responsibilities, the Subcommittee is not providing expert or special assurance as to the organization's financial statements or any professional certification as to the independent auditor's work.

The committee is formed under the authority of the Investment Policy and shall perform all duties defined within the policy. The Subcommittee’s role is one of oversight. The Subcommittee recognizes that the Investment Manager has more time, knowledge and detailed information about the stock market than do the Subcommittee members. The Committee Chair and Vice Chair may form task forces as needed. Task Forces are temporary stakeholder groups that address specific non-routine issues or other duties that align with the overall committee charges.

Task Forces are governed by this charter and will be populated with Committee members and other stakeholders, subject to Committee approval. Task Forces are disbanded upon completion of the specific

Once the request is approved by the officers, the officers have the authority to direct the request to the Executive Committee for review and approval.

Reporting:
